Purpose
The Ohlone Herbal Center (OHC) scholarship fund was established in 2014. The purpose of the scholarship is to provide access to eligible OHC programs for diverse, low-income individuals with demonstrated commitment to serving the health of their communities.

Financial Assistance
Financial assistance is based on financial need, commitment to community service, and enrollment in the following OHC courses: Foundations, Therapeutics, and Clinical Internship. Scholarships may be awarded and/or renewed provided funds are available. The scholarship may be renewed only if the award recipient meets the conditions outlined below in Scholarship Renewal.

Scholarship Awards
OHC awards scholarships on the basis of a comprehensive, competitive process. Areas that are reviewed by the committee include, but are not limited to the following: professional goals, commitment to and evidence of community service, references, statement of purpose, and financial need. OHC applies scholarship funds directly to tuition. OHC scholarships are awarded without regard to race, color, ethnicity, gender, ability/disability, or sexual orientation. Scholarships awarded are based upon the availability of funds and additional qualifying criteria.

Criteria
- Applicants must be enrolled in an eligible long-term OHC educational program. If scholarship money is awarded, these are the only programs that will receive the funds on behalf of the applicant
- Applicants must demonstrate a need for financial assistance and household income of up to 200% of the federal poverty level (FPL). For current FPL guidelines, review the OHC Scholarship page at http://www.ohlonecenter.org/scholarship-application
- Preference may be given to applicants who have participated in OHC programs, or who provide evidence of service to their community
- Renewal applicants must be students in good standing, and have done at least 4 hours per month of community or public service. Such service can take place in the OHC community clinic or garden, the Charlotte Maxwell clinics, or other venues approved by the OHC directors.

**Career Plans**
What are your career plans and professional goals? What would you like to be doing in 5 years?

**Personal Information**
Please include any other relevant information about yourself and your life journey that you wish to share with us. OHC encourages applicants who are from groups or communities that are generally underrepresented in western herbalism to discuss their background and how it affects their desire and ability to participate in western herbal education. Examples of underrepresented groups include, among others, single parents or grandparents raising minor children, persons providing eldercare, persons from low-income and minority communities, and persons with disabilities.

Statement of Accuracy

I affirm that the above stated information provided by me is true, correct, and without forgery.

I understand that OHC scholarship funds are very limited. Completion of this application indicates a genuine need for tuition assistance not available to me through other means.

I understand that the OHC scholarships do not cover full tuition expenses, and I am responsible for the balance.

I understand that if chosen as a scholarship winner, according to OHC policy, I must enroll in a qualifying OHC program, and pay the balance of my tuition before scholarship funds can be awarded.
